WAR OR PEACE, SUBJECT OF LAST FORUM MEETING

The subject for the next and last of the forum meetings at the high school is the crucial question of the Atomic Age. Harland Frederick of the University of California will address the meeting of June 6 on "The UNO and Atomic Energy—War or Peace?"

Frederick is assistant in charge of American Institutions at the University of California, where he has been on the teaching staff since 1933. Since 1935 he has been teaching classes in government and

HARLAND FREDERICK

current events for the University Extension as well as carrying on his regular lecture program with the department of Political Science. He is a member of the American Political Science Association, the Foreign Policy Association, and the American Society of International Law.

At this last forum people of Washington Township will be privileged to hear a noted lecturer with a wide background of activity that includes work in civic affairs, mines, agriculture, and personnel administration. The forum meeting of June 6 begins at 8:00 p.m. in the auditorium of the high school. There is no charge.

NILES TEACHER RETIRES AFTER FORTY YEARS

By E. DIXON BRISTOW
Principal Niles School

Miss Elizabeth Celeste Bunker has tendered her resignation to the Board of Trustees of Niles School district to become effective at the close of the present school term. Her voluntary retirement will begin on that date.

It is with regret that the writer makes this announcement. Miss Bunker is recognized as one of the outstanding teachers of our county. Her many years of successful teaching has endeared her to her pupils and the parents of our township. Her unfailing loyalty and devotion to her chosen profession and to those with whom she was associated have been evident throughout her teaching career.

Forty years of successful teaching, all of which has been in Alameda county, is a record of which Miss Bunker can be justly proud. The two schools in which she taught are Alvarado and Niles.

Miss Bunker is a member of the National Education Association, to which she was a delegate three times, the California Teachers Association and all the teacher organizations of Alameda county. In addition to her teaching, Miss Bunker has always taken an active part in the civic and social life of our community and township.

As a tribute to her successful teaching career, the trustees and the entire personnel of the school are honoring her at a dinner party to be held at the International Kitchen, Tuesday, June 4. County Superintendent Vaughn D. Seidel and his administrative assistant, James L. Bunker, will be guests in addition to Miss Bunker and her sister, Mrs. Agnes Nihill.

NEW POST OFFICE FOR CENTERVILLE

Centerville is going to have a new post office building, according to official word received by Postmaster Manuel Lewis this week.

A recent check by an inspector from the post office department found that increased postal receipts at the Centerville office warranted new and expanded quarters.

Lewis says that bidding on the construction of the new building should start within a month.

INCORPORATION PETITION IN DECOTO

Another step toward incorporation of the town of Decoto as a city of the sixth class under the laws of California is now under way, with circulation by the Progressive Club of Decoto of a petition which, when properly signed, must be presented to the county board of supervisors.

The petition, drawn up by Attorneys Frank C. Nunes of Hayward, requires the signatures of 25 per cent of the property owners in the area concerned, as well as signatures of owners of 25 per cent of the assessed valuation of property.

Circulation began Monday when 20 members of the club met at the home of Ignacio Paniagua, with Tony Bautista, president, acting as chairman.

According to the petition, the town of approximately 3500 inhabitants, would be delineated as follows:

On the north side, the city would include the 125-foot strip of the Meyers property as far west as Dry Segunda Creek. The western boundary follows the creek and includes Jack Pacheco's property across the creek. The line follows the creek south to Sixteenth Street. Southern boundary of the proposed city would parallel the boundary of the present sanitary district. The eastern limits would extend to Decoto Road.

President Bautista of the Progressive Club is planning another mass meeting of Decoto residents, the meeting to be held in the grammar school auditorium if permission is granted by the school trustees.

IRVINGTON GIRLS LEAD IN CONTEST

The contest for queen of the Apricot Festival becomes more exciting now that time for decision is drawing near a close.

As things stand now, however, it looks like nip and tuck between two Irvington girls — Dorothy Amaral and Ellen Hall.

Dorothy now has a total of 16,500 votes to head the list; Ellen comes next with 14,300; Betty Brandt, 8,800; Mary Goularte, 4400; Betty Silva, Patricia Mendonca, Marian Green, 3300 votes each; Annabel Vargas, 5500; Elaine Neeley, Virginia Feleciano, Yvonne Calderia, and Vivian King each 2200.

Two new additions to the contestants are Gloria Nunes of Centerville, who has reported 4400 votes, and Ramona Espinosa of Irvington, who has not yet reported.

MUSIC FESTIVAL BRINGS PLAUDITS

The Music Festival at the Irvington school last Sunday, which was attended by about 300 parents and friends of the young participants, was outstanding in the fine musical and dancing program which was presented.

The following schools participater in the affair: Newark, Alviso, Irvington, Warm Springs, Alvarado, Russell City, Valle Vista and Centerville.

Those who deserve credit for directing the children and putting the festival across were Bernard Callery, general chairman; Lee Lykens, coordinator of music; Vaughn D. Seidel, county superintendent; Leslie H. Maffey, principal of Alvarado school; Mrs. Elsie C. Madruga, Alviso principal; Thomas P. Maloney, Centerville principal; Gus Robertson, Irvington principal; Mary M. Shea, Newark principal; Mrs. Wilda Mette, Russell principal; Mrs. Katie Lamson, Valle Vista principal; James M. Nunes, Warm Springs principal; and J. Vernon Goold, principal of Washington Union High school.

JOSEPH A. SILVA

EDWARD A. QUARESMA

JUSTICE OF THE PEACE CONTEST WILL HOLD SPOTLIGHT IN TUESDAY PRIMARIES

Who will it be, Judge Silva or Attorney Quaresma?

This question seems to be uppermost in the thoughts of people throughout the township who will go to the polls next Tuesday to make their choice. Senators may be voted for; charters may be accepted or neglected; coroners may come in or go out; but the localites are really concerned over one contest, and that is a local one—Will Judge Silva, incumbent, who has served as Justice of the Peace for more than 20 years, be defeated by the young Niles attorney, E. A. Quaresma?

The Register has contacted each of the candidates for information regarding his career, and has gleaned the following facts:

Joseph A. Silva, candidate for re-election as Justice of the Peace of Washington Township, Office No. 1, is a member of one of the township's oldest families. He has lived in the township over 50 years, and has had over 20 years of public service in his present capacity.

Judge Silva, as everyone calls him, has consistently polled the largest number of votes of any candidate for public office in this community ever since his first election in 1925. He was appointed in January of 1925 to serve out the unexpired term of the late Ralph V. Richmond, when he was elected to the Board of Supervisors.

His wife, Mrs. Silva, has long been active in local P.T.A. and church affairs. There are three children in the family, Amelia, age 16, Mary Rosalia, age 14, and Joseph, age 9.

Attorney E. A. Quaresma was born on a farm in San Luis Obispo county. He attended the University of Santa Clara and thereafter Loyola University in Los Angeles, receiving the Degrees of Bachelor of Science and Bachelor of Laws.

He was admitted to practice law in 1931 and has continuously practiced his profession ever since. During this period he served as Assistant District Attorney of San Luis Obispo County for four years and City Attorney of the city of Arroyo Grande for two years. In 1936 he was state president of the I.D.E.S. On the death of the late Thomas J. Power, who practiced law in Irvington for over thirty years, Mr. Quaresma took over the law office of Mr. Powers, which he maintained until September, 1942, when he was sent to South America by the Foreign Economic Administration as principal field representative. After over two and one-half years in foreign service, he was released and re-opened his law office in Niles, where he is now practicing.

Mr. Quaresma is married and the father of two children.

SOFTBALL GAMES THRILLING TO FANS

Softball fans thrilled to at least three closely-contested games during the past week.

Native Sons collected three runs on a Kleine error in the first inning of Friday's game, and the teams then went on to play a tight ball game with no further scoring. The clubs got two hits and six strikeouts each.

Monday night's game between Mission Firemen and Native Sons brought out a full house of supporters who were treated to their full expectations of a good ball game. The finish was 2 to 1, in favor of the veteran Native Sons. Ramos knocked in the first run for the Sons in the fourth with a high drive down the left field line, scoring Larry Duarte. That one run lead looked real big until the last half of the sixth when a squeeze play gave the Firemen the tying run. With bases loaded, Fontes bunted and scored Garcia.

The Sons came up in the seventh and got two men on bases by walks. Roderick accounted for the deciding run for the Sons with a single down right field.

L. Telles pitched six strikeouts for the winners; Larry Rogers of the Firemen struck out four. The Sons got their runs on five hits, and the Firemen had eight.

The Central Chevrolet outfit hit their stride Tuesday night with a 9 to 7 win over undefeated Wedgewood. Bobby Rose of the Chevrolet allowed one walk, and Joe Machado got a homer, bringing in two men to tie Wedgewood, 3-all, at the end of the third.

H. Vervais and R. Kelly of Frick's got three hits each in a 9 to 2 triumph over Central Chevrolet last Friday. Kleine's took a 5 to 2 game over Frick's last Monday, and on Tuesday night Woodmen of the World beat Kraftile 19 to 0.

GAMES SCHEDULED FOR NEXT WEEK

Here's next week's schedule of games, which start at the high school grounds at 7:30 o'clock each evening:

Friday, May 31: Native Sons vs. Wedgewood; Westvaco vs. Frick's.

Monday, June 3: Kleine's vs. Wedgewood; Westvaco vs. Mission San Jose Firemen.

Tuesday, June 4: Central Chevrolet vs. Native Sons; Kraftile vs. Frick's.

Wednesday, June 5: Mission Firemen vs. Wedgewood; Woodmen vs. Westvaco.

Thursday, June 6: Central Chevrolet vs. Mission Firemen; Native Sons vs. Kraftile.

OLD MAN WEATHER VERY KIND TO TOYON

* * * * * * * * *

HOLDS OFF RAIN 'TIL GARDEN PARTY ENDS

Those who were connected with, or planned to attend, the Toyon garden party luncheon at the Shinn home last Saturday, awoke with some misgivings, for it appeared as though Old Man Weather was going to be capricious and not cooperate. The atmosphere was sultry, and the dark clouds hung low—and spirits, too, were low, for considerable preparation had gone into the planning of this affair and rain would have spoiled everything.

By noontime, however, the rain had failed to appear, and the sun even managed to filter through a little. It turned out,in fact, to be just the kind of a day you'd order for a garden luncheon. It was comfortable, and not too glary, to sit out at the tables in the spacious, beautiful, and time-mellowed gardens surrounding the Shinn home. The luncheon—home-cooked and served by members of Toyon—was also what you'd have ordered. The spaghetti, the tossed salads, the hot rolls, stuffed eggs, and relishes, topped off with homemade cookies, all had that certain something that lifted them out of the ordinary.

Serving the luncheon and helping around whenever and wherever they were needed was the Niles Girl Scout troop—and troopers they were, for it was they who took care of all the necessary "little" things—like refilling the coffee cups, passing the relishes, and cleaning up the tables. The Girl Scouts also sold cokes to the tune of $15.

Part of the attraction of the affair was the food table, where delicious-looking cakes and salads and canned fruits and cookies were sold. There was also the white-elephant table, and the fish pond, and even a fortune teller to provide entertainment for the guests.

All in all, over 100 luncheons were served, the proceeds, of course, going to that very worthy organization, the Children's Hospital of the East Bay.

WHO'LL IT 'BEE' NEXT TIME?

What may turn out to be a scientific discovery was uncovered this week in Niles, the portent of which the editors can only guess at.

You'll remember that several weeks ago The Register received a frantic telephone call from Dr. Barton, Niles chiropractor, asking our help in getting rid of a swarm of bees that had taken up residence in the walls of his office.

The editors duly published the story of Dr. Barton's unwanted guests, which promptly brought down Mr. Sloniker from his Niles Canyon home, to take the swarm back to his hives. Being in the bee-raising business, the bees, contrary to being unwelcome guests, were welcomed with open arms (properly covered, of course) at Mr. Sloniker's abode.

The editors thought, naturally, that with these bees all properly settled, the story was over.

Now, however, comes a continuance of the story. This week a swarm of bees has taken up residence in the back yard of Dr. Tom Wilson's home. Dr. Wilson, you know, is a dentist, and when it comes to wrapping a pair of pliers around a molar, he's right there—but as for bees, well, he'll confess that he likes honey, but that's as far as his knowledge of the apiary insects goes, and where, oh where, is Mr. Sloniker?

The editors are now being called upon to again page Mr. Sloniker. Not being in the phone book, we hope he will read this little item and come to the rescue of the Wilsons.

As we mentioned in the beginning of this article, we believe that something of a scientific nature, in regard to the strange behavior of bees, has been unearthed. Why, for instance, do swarms of bees invariably go visiting at the homes of people who have a Dr. in front of their names? It's something to reflect upon, and to ponder over.

We have no other recourse than to wonder which "Dr." will next be frantically phoning The Register and imploring us "to find some one to get rid of these pesky bees!"

FRICK AND LEWIS IN TRUCK ACCIDENT

Charles Frick and Frank Lewis of Niles suffered minor injuries in an automobile accident at the Niles Canyon highway intersection last Saturday. The Frick truck was hit by an automobile traveling south on the state highway as the truck, driven by Frick, had completed its turn into the Niles road.

The auto was driven by Nick Pappas, 20, of Oakland.

EDWARD FANTUZZI GETS HONORABLE DISCHARGE

Edward Fantuzzi, son of Mr. and Mrs. F. Fantuzzi of Niles, received his honorable discharge from the Army last Thursday at Camp Beale. The veteran served 21 months as staff sergeant in New Guinea, the Philippines and Okinawa. He was assigned to the 2nd Ocean Towage and Lighterage outfit of the Army. His plans for civilian life are indefinite, he said.

CLARENCE CRANE HEADS NILES FIRE DEPARTMENT

Clarence Crane, erstwhile assistant fire chief, this week was promoted to the position of fire chief of the Niles Volunteer Fire Department, following resignation last week of Tony Alves, who has been in the department for 25 years.

Clarence Crane

Crane got the official appointment at a meeting of the fire commission last Sunday. Before the appointment meeting the Niles firemen went through four hours of routine check and inspection of all equipment. Alves was bowing out and Crane was taking over, but testing of all fire hydrants, motor apparatus, and hose lines was still the primary concern.

The new fire chief is well known for his ability and devotion to duty throughout the county, as well as locally. Crane was made president of the Alameda County Firemen's Association in 1941. The fire commissioners, who selected Crane, are E. E. Dias, J. A. McDonald, Joe Gomes, Jack Alberg and Leon Solon.

ALVES RECEIVES APPRECIATION GIFT

In recognition of the magnificent job he has done in the Niles Volunteer Fire Department for the past 25 years, Tony Alves, who resigned last week as fire chief, was presented with a handsome watch as a tribute from his colleagues to his unselfish devotion to the call of duty.

PHYLLIS MORA RITES TOMORROW

Phyllis Mora, 19, of Mission San Jose died at Arroyo Del Valle Sanitarium in Livermore on Wednesday.

She entered the sanitarium in May of last year while a junior at Washington Union High School. Continuing her school work, she was presented with her diploma in the early part of this month. Principal J. V. Goold made the presentation at a bedside ceremony.

Her parents, Mr. and Mrs. Julin Mora, and nine brothers and sisters survive. They are Gilbert, Julin Jr., Dela and Cora, of Mission San Jose; Mrs. Louise Geminez and Angelo Mora, of San Jose; Max Mora, of Newark; Mrs. Mary Rodriguez, of Irvington, and Mrs. Rose Laga, of Niles.

Funeral services will be held Saturday morning at 8:30 o'clock from the Chapel of the Chimes, followed by 9 o'clock mass at Holy Ghost Church in Centerville. Burial will be in Holy Ghost cemetery.

JUNIOR CHAMBER NAMES BOARD OF DIRECTORS

"Crime—How It Will Affect You" was the subject of an address Wednesday evening by Ralph Hoyt, district attorney of Alameda County, at a meeting of the Niles Junior Chamber of Commerce at the International Kitchen.

The district attorney gave some alarming figures to show how crime, definitely on the increase, affects the individual family. For instance, the present cost of crime per family per year is $500.

Other business transacted at the meeting was the election of a board of directors, as follows: Edward E. Enos, Harold Fetters, John Berchem, Harry Cesari and Harold Burns.

Township Legion Post Champions Veteran In Local Housing Dispute

The right of a war veteran to live in an area in which residence is restricted to persons not of certain racial background was the subject of a resolution adopted by Washington Township Post No. 195, American Legion, at its regular monthly meeting last Tuesday, May 22.

The resolution was voted as the result of diffiiculties encountered by Rafael A. Andrade, discharged Army veteran, who is now living in a home in Canyon Heights which he had taken steps to purchase under the G.I. Bill of Rights.

Andrade moved into the house and made application for a veteran's loan, only to learn later that some of his neighbors, members of the Canyon Heights Improvement Club, thought that he should not be permitted to occupy the home in view of specific restrictions which bar persons of Mexican descent.

The improvement club advised the Veterans Welfare Board of the restriction, and the board, in turn, informed Andrade that a loan could not be granted him unless he could establish his right to tenancy. Andrade withdrew his loan application.

The attention of the local post of the American Legion was first focused upon Andrade's case when Jack Vieux, a legionnaire, brought the matter up at a meeting in March. At that time it appeared that Andrade's purchase and occupancy of the house would not be opposed. Following Andrade's difficulty in securing the loan, however, the situation was brought up again last Tuesday and the resolution voted.

It reads, in part ". . . we hereby strongly condemn this practice and situation as highly un-American, discriminatory and detrimental to American principles, particularly in view of the fact that the individual herein involved is a World War II veteran who served his country honorably in the recent war, and that this practice is unconstitutional and unlawful and that any property deed containing such restriction is null and void, according to numerous court decisions on record, and will not be sustained in any court of law and justice, and therefore this post of the American Legion will oppose this practice, as has been done elsewhere by the American Legion and shall present the matter before the higher authorities of the American Legion."

The case is being referred to the 10th District Council of the American Legion by the local post.

It has been reported to The Register that Andrade's purchase of the house may be possible by a private loan offered by a sympathizer who opposes exclusion of veterans on a basis of racial or national background.

MISSION MAN INJURED IN AUTOMOBILE ACCIDENT

Joe B. Mello, 50, of Mission San Jose, suffered internal injuries and lacerations of the face, when he was struck by an automobile early Sunday morning on the highway between Warm Springs and Milpitas. The injured man was first taken to Fairmont Hospital for emergency treatment and later transferred to Highland Hospital.

Mello was walking along the highway when he was hit by an automobile driven by Peggy Ann Costa,, 20, of Sunnyvale. The driver reported to police that bright headlights on an approaching car blinded her just before the accident.

MISSION SAN JOSE NEWS

WITH LOIS JUSTUS

A bit late, on Sunday evening, May 19, at the home of Mr. and Mrs. Mathew Silva on Ellsworth street, a surprise birthday party was given for their son, Henry, veteran of the European Theater. It was Henry's 22nd birthday and all the guests enjoyed the many games and the delicious refreshments served at the close of the evening.

Those present to make the evening one to be remembered were: Norman, Laura, Bernie and Marie Silva, cousins of Henry; Mrs. Alice Santos and daughters, Margie, Thelma and Norma, also Johnnie Freitas and Raymond Santos, all of Newark; Mr. and Mrs. Thomas Cunha and children, "Cappy" and Shirley; Mr. and Mrs. Tony Perreira and son, Billy; Frank and Lawrence Rogers, Eddie Freitas, Elaine and Jackie Borge and Miss Evelyn Meyers, and Henry's parents and sisters, Marie and Margaret.

Joe Mello, resident of the Mission, was rather seriously hurt on the highway between Milpitas and Warm Springs about five o'clock, near the county line when he was struck by a car. He sustained a broken leg, face lacerations, and probable internal injuries. He is in the hospital at present.

Louie Nobriga, who worked for the Dominican Sisters for a number of years, has purchased himself a fruit stand just beyond Warm Springs and expects to be ready to start business for himself very soon.

Miss Olive Hyde of San Francisco, who has been spending the past few days here getting her summer home in readiness for the summer, left for San Francisco on Tuesday but will be back in the near future.

Edward J. Callahan, who has been very ill most of the past year, had two bad spells last week but at this writing he is some improved. His son, Leslie, is at home now with the mother. Callahan was the former clerk of the school board, being replaced by Frank Vargas when he became too ill to assume his duties.

Mr. and Mrs. John Dorty of San Francisco were week-end visitors at the ranch home of Miss Lillian Ladigus.

Mr. and Mrs. Charles Merrit and son of Los Gatos visited friends in the Mission Sunday. Merrit is the son of G. L. Merrit, the former owner, some 60 years, of the grocery store here.

Nearly Holy Ghost time here in the Mission so all the buildings and the grounds on Ellsworth street have been getting a face lifting and what a big improvement a bit of paint makes even on a building. Plans are nearly completed for the big time which takes place on June 8 and 9. Miss Joan Dutra, daughter of Mrs. Leland Steinmetz, will be the queen this year.

The Mission fire department was called to Warm Springs Monday afternoon to extinguish a large grass fire. Last week the paint shop at the Dominican Convent burned completely. It was caused by spontaneous combustion in some paint cloths and one of the sisters was quite badly burned trying to extinguish it before the department arrived.

Mr. and Mrs. Daniel K. Cross and family accompanied by Mrs. Elsie Wilcox spent Sunday afternoon at the home of Mr. and Mrs. Floyd H. Cross and family of Redwood City.

Mr. and Mrs. John Huddleston of Oakland, the former Nellie Warren, were week-end visitors at the home of Mr. and Mrs. Frank Castro, Nellie's mother.

Mrs.Fontes and son of Irvington arrived Sunday at the William Lawrence home to spend the day.

Henry Silva, who was injured very badly some months ago in an accident near Milpitas, has finally gotten the cast removed from his arm. He says he feels pounds lighter.

The Postmasters of Alameda County held their regular monthly meeting on Wednesday evening, May 22, at the Claremont Hotel in Berkeley with the Honorable Mr. Whiting, postmaster of Berkeley, as the host. Twenty-nine members and their guests attended the largest group for some time to meet. A lovely dinner was served to the guests who enjoyed dancing between courses. The business meeting followed the introduction of guests. The speaker of the evening, a professor from Berkeley University, spoke on "Communications." The next meeting will be with Lois Justus, postmaster of the Mission and will be held on June 19. Pictures of the guests and postmasters were taken during the evening.

Those attending the meeting were: Postmaster and Mrs. Manuel Joseph, Irvington; Lois Justus, Mission; Manuel Lewis, Centerville; Mary Janeiro, Decoto; Anthony Foster and wife, Enid, Hayward; Stephen Graham, Oakland, and his guest, a lady from the Internal Revenue Service, San Francisco; Julia Harris and her husband, Elmer, Newark; William McKinnon, Liverome, and his clerk and wife, Mr. and Mrs. Richie; Harry Dietrick, Pleasanton; Mrs. Mooney, president of the association, San Leandro, and her husband and a clerk; Edward Enos, Niles, and his fiancee; Ford Samuels and his wife of Alameda; Genevieve Dutra, Alvarado; and the host, Mr. Whiting, and his wife and daughter, and the head money order clerk and his wife.

This was the tenth anniversary of the organization of the Alameda County Postmasters and Postmaster Ford Samuels of Alameda gave a very interesting review of the past ten years which was enjoyed by all.

Last week Thomas Santos of the Mission and his brother, Tony, of San Jose, motored to Monterey where they went abalone fishing and came home with the limit. Mr. Santos is now the proud owner of a '41 Dodge which he has been

Only a Few Days Until The Election

JUNE 4, 1946

is close at hand. Then you voters will go to the polls and decide whether I shall remain as Justice of the Peace at Office No. 1, in Washington Township.

YOU ARE MY JUDGES.

Have I done my work to your satisfaction? Have I done it well and in good faith these 20-odd years?

I BELIEVE THAT I HAVE

meted out justice fairly to all, without any question as to race, creed, color or social standing.

I HAVE FILED OVER 11,000 CASES

in my offce—I have been called to try cases in other courts—work which required full knowledge of the laws and a reputation for fair judgment. That is my record and my promise.

BECAUSE I HAVE CONTINUED

to perform the duties of my office during the last several weeks, I have not been able to see all the voters personally, so I take this means to ask for your support.

ON THE EVE OF THE ELECTION

you are about to decide whether the office deserves a full-time justice of the peace. I believe it does need a full-time experienced man.

RE-ELECT

LET'S KEEP A GOOD GOVERNOR

Vote for EARL WARREN June 4

What the Voters Say:

John Q. Public—I am voting for Earl Warren because he has been honest and courageous.

Veteran—I am voting for Earl Warren because, as a veteran, he understands the problems of the veterans in finding jobs and homes.

Woman Voter—I am voting for Governor Earl Warren because he has carried out an unlimited program for welfare and health.

Labor—I am voting for Earl Warren because he has been a true friend of labor. On his record he has won the endorsement of the State Federation of Labor, A. F. of L.

Business Man—I am voting for Earl Warren because he has put the State government on a sound business basis and reduced our taxes.

Farmer—I am voting for Earl Warren because he understands the problems of the farmer—he is always mindful of the farmer's needs.

A GOOD GOVERNOR FOR ALL THE PEOPLE!
California Committee, Warren for Governor

What our $400,000,000 five-year expansion program means to you

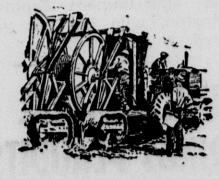

More than $100,000,000 Construction Planned for 1946

If you are waiting for a telephone . . . you may be certain that getting one to you just as rapidly as possible has top-priority in our plans. We are working full speed on buildings, cables, switchboards and other equipment needed to provide service for everyone who is waiting . . . and to make service even better for every telephone user.

If you are a farmer . . . you may expect the extension of telephone service in rural areas. New methods and new developments will be used, including high-strength steel wire, power line carrier equipment and possibly radio for remotest locations. You may also expect fewer parties on the lines, fewer rings for other parties and other service improvements.

If you use Long Distance . . . you may look forward to an even better and faster service than ever before. We are working on our part of a nation-wide coaxial cable network for long distance calls and television transmission. Equipment will be provided for nation-wide operator dialing of toll and long distance calls and for customer dialing of toll calls between some communities.

Thousands of jobs . . . millions of man hours of work . . . will be created by this program, the largest in our company's history. Our total plant investment will be increased to more than a billion dollars. For it is our purpose to provide an ever-widening, ever-improving telephone service . . . to grow with the West and to help the West grow.

Every day we seek to make telephone service even better than it has ever been before

What Price Peace?

It is apparent from Secretary Byrnes' report on the Paris conference that if the Western Powers would agree to give Trieste to Yugoslavia, make Italy pay $100 million in reparations to Moscow, and yield to other demands of the Soviets, the peace conference could be held quite speedily.

But the Western nations refuse to pay that price—and rightly so.

Diplomatic observers point out, however, that the Russian desire to delay the peace making unless granted their demands works to their advantage in both directions. If the demands are granted the Russians have gained that much. If not, Moscow knows that a continuation of unsettled conditions in Europe due to the absence of stabilizing peace treaties could create chaos that would breed Communism on a large scale throughout Europe and thus extend the Kremlin's influence over virtually the whole continent.

Europe must have peace if there is to be peace in the rest of the world. If Russia continues to delay the peace conference then the matter should be taken to the United Nations as Mr. Byrnes said he would do.

In the meantime, we should maintain a friendly but firm attitude toward the Soviet. World opinion may force them to alter their policy toward a peace settlement just as it made itself felt in the case of Iran.

We must work for peace, but we cannot forget that there can be no real peace by appeasement. We learned that lesson in 1938 and 1939.

The Great Crisis

A good many observers in America today believe that the present industrial crisis is one of the greatest of all crimes in our history. They consider it even more perilous in many respects than the extreme military emergency which existed in the months immediately after Pearl Harbor.

The war emergency, they point out, welded the people of America into a strong and determined unit. The peacetime crisis has divided them dangerously. Out of the wartime unity came enormous production, and from that production came victory. Out of the peacetime division has come a paralysis of production and the danger of economic disaster to the nation.

In December, 1941, the welfare of their country was the first concern of the American people. Today to many of them it would seem to be their last concern. Certainly, too many citizens are thinking too little about the dire economic effects that must follow a continuation of the "me-first, the-devil-with-the-other fellow" attitude that has been largely responsible for one disrupting strike after another.

There can be no valid criticism of any labor group seeking to improve wages and working conditions. But labor leaders who aim primarily at greater political power must not be allowed to strangle the economic life of the nation in order to achieve their ends.

Intelligent legislation to help cope with this problem is desperately needed. Congress—especially the Senate—should stop stalling and get busy at it. Yet, laws alone are not enough. Even with the proper laws a more constructive and cooperative attitude by participants in labor disputes would still be necessary to work out satisfactory solutions.

In view of current difficulties, to hope for real cooperation may seem like wishful thinking. But we should wish for it and hope for it, and above all, we must work for it for therein lies our only true salvation in this great crisis.

The FARMERS CORNER

by RALPH H. TAYLOR
Executive Secretary Agricultural Council of California

In an editorial titled "Should Farmers Strike?", the Farm Journal, of Philadelphia, the nation's farm paper of largest circulation, declares they should strike, and sets the date for June 4th, the place in the primary election booth.

"Right now the CIO-PAC is quietly at work in scores of districts," the editorial reminds farmers. "Yours may be one. The object is to 'knock off' those brave Representatives and Senators, both Democratic and Republican, who have refused to knuckle under to union boss dictation. In primaries and fall elections they hope to put in Washington their own yes-men. These will not be friends of farmers, nor friends of individual freedom.

"Yes! Farmers should strike! They should strike in the traditional way of free Americans. At the ballot box, they should strike a blow against more tyranny by government, and against tyranny by selfish labor exploiters. Wherever a good representative or senator of either party is being attacked by the PAC, farmers should organize for his support. They should organize to defeat the weak-kneed rubber-stampers who are still in office. They should organize to see that no farm voter fails to go to the polls. Talk is not counted, but actual ballots are."

That editorial is timely and sound. But one statement in it might be improved by qualification—the statement that "talk is not counted." Only ballots, to be sure, determine the outcome of an election. Yet talk—loose and specious talk, as well as thoughtful and sincere talk—predetermines the votes of millions of citizens.

The history of American politics shows that a national fault of the electorate is to think largely in terms of labels and slogans. The CIO-PAC high command is alert to this trait, and is exploiting it to the full to its own advantage.

A member of the Congress, or candidate for office, who speaks out against the arrogant union czarism of a John Lewis or Petrillo is immediately labeled by the CIO-PAC as "tory," "reactionary," "anti-labor" and even "fascist." The identical terms are applied to the man in public life who cries out against the steady encroachment of government on the domain of industrial liberty in this country — the socialistic tendency to extend, strengthen and make permanent every device of government control that was instituted as a "temporary" measure of "emergency."

On the other hand, the men in government are termed "liberal," "progressive" and "pro-labor" by the CIO-PAC so long as they do nothing to offend the so-called spokesmen of labor.

That is monstrous fakery in talk—yet it is talk that may, unless clearly refuted, influence honest and patriotic men in the ranks of labor to vote against their own interests!

Who is the true friend of labor—of all the scores of millions of working men and women in America, union and non-union—when these fake labers are stripped off? Is it the intelligent conservative, who realizes that public wrath is rising against abuses of the strike privilege, who realizes that public wrath is rising against abuses of the strike privilege, who forsees drastic legislation that would deal a heavy blow against sound unions along with destructive unions, and therefore counsels labor to clean its house and accept responsibility along with power? Or is it the so-called liberal who urges labor to follow leaders who break contracts with employers, break faith with the public, and offer only the alternative of rule for themselves or ruin for the nation's economy?

The "reactionary"—so branded by the label fakers—who simply insists upon and courageously votes for the rights of all the American people as outlined and guaranteed in the Constitution, is actually the true liberal, the true progressive, in America today.

The "liberal"—so branded by the label fakers—actually is often the counterpart of the demagogues who tricked the people of Italy and Germany into yielding, one by one, every one of their sovereign rights to Mussolini and Hitler. Such "liberals" in America, if their way prevails, eventually will destroy the right of private enterprise for all men and the right to organize and bargain collectively for all labor! Such "liberals" are the Fascists of the U.S.A.

Plain, honest, dispassionate talk among American neighbors — the farmer and his employees, the garage owner and his mechanics, the grocer and his clerks—is urgently needed today. They all have the same vital stake in preservation of freedom that are precious to all alike. For when one freedom is lost, all others are weakened and jeopardized.

It would seem a duty of citizenship, in these days, to talk sense as well as vote sense.

The time for talking is about over, however, so far as influencing the outcome of the vitally important California primary election next week. Don't forget to have your say—with your ballot!

B. KRUEGER JOINS IDAHO BALL CLUB

Bill L. Krueger of Irvington left the Oakland Airport last Thursday to join the Idaho Falls baseball club of the Pioneer League. He flew to Boise where Idaho Falls has been playing this week.

Before going into the Navy, Krueger played infield for Sacramento in the Pacific Coast League. He served as physical instructor in the Navy and continued with baseball on a Navy team that came up against clubs from the major leagues.

The baseball player is the son of Mr. and and Mrs. L. V. Krueger of Irvington.

BROADWAY HIT IN SAN JOSE SOON

"The Voice of the Turtle," the John van Druten "most delightful comedy of the season," will have one performance in the auditorium, San Jose, on Monday evening, June 17, coming direct from three months in San Francisco. Produced by Alfred de Liagre Jr., with the unique three-room setting by Stewart Chaney, "The Voice of the Turtle" has three current companies: the original in New York; with two on tour, and a fourth planned for London in the fall.

Tickets for the San Jose performance are on sale at the Denny-Watrous box office, auditorium.

THE NEWS IN NEWARK

BY LOUISE CHAPMAN

The committee meeting of the Cub Scouts was held at the Youth Center last Friday evening, to make plans for the summer activities. The committeemen attending were Kenneth Foster, cub master, R. A. Alberts, William Beck, Franklin Brown, Lorna Smith, and the chairman, E. E. Harris. The den mothers who were present were Mildred Foster, Melva Oak and Edith Beck.

Jack MacGregor of the Army Air Force expects his discharge in July. He will go back to his position as principal of the Newark grammar school next term. He will replace Miss Shea who has been his replacement while in the service.

Sunday, May 26, marked the opening of the M and M restaurant. Good luck to James McCullough, who is the new manager.

Last Friday, Mrs. D. D. Watt of Hayward had lunch and spent the day with Mrs. R. M. Chapman.

The school trustees, their wives and a few other were the guests of the Newark school teachers at a dinner last Wednesday at the International Kitchen. The evening was enjoyed by all.

Mr. and Mrs. E. E. Harris attended the postmasters' dinner at the Hotel Claremont in Berkeley last Wednesday evening. Frank Whiting, Berkeley postmaster, was the host. Quest speaker of the evening was Professor Badin of the University of California. Following the dinner meeting, dancing was enjoyed by the group to the music of Dick Jurgen and his orchestra.

The Sportsmen's meeting was held Tuesday evening at the M and M Hotel. Plans were discussed for a booth at the Apricot Festival. There will be a trap shoot at their own club house Sunday, June 2, for members only.

CENTERVILLE PRESBYTERIAN CHURCH SERVICES

Morning worship at 11:15. Everyone invited.

Church School at 10 a.m. For all ages.

Sermon topic: "Be Still and Know That I Am God." Text: "And Jesus answering said "I tell you, in so far as you did it to one of the humblest of these brothers of mine, you did it to me." Matt. 25:40.

Brotherhood will be the theme of the morning service. The infinite love of God for his people is universal regardless of race or color. Peace on earth will come when we as Christians find the purpose of God in the Universe and then direct all of our energies and our efforts in making the purpose a reality.

Further discussion will be added by Mrs. Fred Muller of Newark. She will bring to us from the Presbyterial Headquarters, a message and plan whereby we can put brotherhood into practice.

—Rev. R. Lewis.

Oxnard has one of the largest sugar refineries in the world.

MRS. HENRY DIAS INSTALLED AS NEW P.T.A. PRESIDENT

Before a crowd of interested parents and teachers last Tuesday evening, Mrs. Henry Dias was installed as the new P.T.A. president of the Centerville Elementary school, with Mrs. B. S. Vincent, president of Phoebe Hearst Council, taking charge of the installation.

Other officers installed are as follows: vice-president, Mrs. Herman Lambrecht; secretary, Mrs. Dallas Paul; treasurer, Mrs. George Roderick; financial secretary, Mrs. Tom Maloney; parliamentarian, Mrs. Mary A. V. Caldeira.

Following the business meeting, refreshments were served.

ST. JUDE TO TAKE PART IN DISTRICT MEETING

Members of St. Jude Institute, Y.L.I., who will take part in the district meeting in San Leandro Sunday, June 2, will be Mae Avila, first vice-president; Anne Perry, assistant recording secretary; Bertha Rose, trustee; and Mabel Enos, trustee.

By VIVIAN BATMAN

Some of us who try—and usually vainly—to run the lives of others should remember this little quotation:

I will try to see the beauty
Spread before me, rain or shine;
I will cease to preach your duty
And be more concerned with mine. —S. E. Kiser

ABOUT YAWNS

In a short story I read recently the hero yawned just as the heroine was declaring her love for him. This is a tragic situation. Nothing dampens the spirits so much, no matter what the occasion, as a yawn. Immediately this hero had yawned, the heroine lost all interest in him. I don't blame her.

I can think of numerous occasions when I have gulped down one yawn right after another, rather than offend the yawn-inciter.

Swallowing yawns is a noble practice. Though it seems difficult at times, if you practice the art long enough you will become adept at it, and nevermore will you insult your friends.

Remember, if you want to be popular, the best place to yawn is in the privacy of your bedroom.

I'd be willing to wager right now that you are yawning. In that case, it's time I quit. I hate to have people yawn over this column. Besides, the editor says I have to give up my space so we can run all these election ads.

RICE SHORTAGE CAUSED BY LACK OF RAINS

The rice harvest outlook in China is poor due to insufficient rains. Widespread starvation will result unless more relief supplies arrive. Oakland Red Cross nutrition classes are teaching how to conserve food so that more vital food supplies may be sent to the famine areas overseas.

The first rule of first aid is always to keep the victim lying flat until a doctor has seen him.

"CLOSE YOUR MEAT MARKETS EVERY MONDAY"

DEMANDS THE BUTCHERS' UNION IN CENTERVILLE

The Butchers' Unions of the Bay Area have demanded the right to tell the public what days they can buy meat and retail meat stores what days they can sell meat to the public. They threaten strike action unless retail meat stores are closed every Monday.

The Butchers' Unions have tried to confuse the issue. Retail meat dealers have declared their willingness to negotiate wages and hours. There is no question of the five day work week involved. To keep our stores open six days a week in your interest, Safeway is prepared to hire additional butchers.

Safeway will not conspire with the Union to deprive you of meat counter service on Mondays. Safeway does not believe the Union has the right to dictate which days of the week you may buy meat or stores may sell you meat.

The Unions' demand that meat stores shall be closed on Mondays presents an issue affecting every business man in Centerville. If carried to its natural conclusion, no business will be able to control the days on which it can offer service to the public.

Prohibition of the sale of meat, groceries or any other commodity on any day is not a proper power to be delegated to a Union. Such control of business has no place in a Union contract.

This advertisement is published so that the public may be advised of another unreasonable, dictatorial Union demand which is against the public interest.

SAFEWAY STORES, INCORPORATED

Former Niles Girl To Be Married

Invitations are out this week for the wedding of Helen Marie Moore, daughter of Mr. Garrett Moore of Oakland, and Mr. Joseph Anthony Stenger. The ceremony will be performed Saturday, June 8, at St. Anthony's Church, Oakland.

The Moores will be remembered as having made their home in Niles for several years. The bride-elect graduated from the Niles grammar school and also from Washington Union High School.

Rowing and Roller Skating

Roller skating and rowing on the lake provided a lot of fun for four young people who went to Oakland last Monday night. The four were Maxine Mau, Bob Nielsen, June Menzes and Tony Moreno.

Ole Reliable says:

Careful Compounding is the basis on which we have built our big prescription volume. Ask your doctor about us. And be sure to bring his next prescription here for precise compounding.

WHITAKER PHARMACY
NILES 4410

RELIABLE PRESCRIPTIONS

Relatives Visit with Mrs. Marie Bishop

Mrs. Marie Bishop of Niles has been hostess this week to her niece, Miss Roberta Hobson. Miss Hobson is visiting with her aunt following her honorable discharge from the Waves, where she held the rank of lieutenant (j.g.).

The guest is the daughter of Mr. and Mrs. Lilburn Hobson of Beverly Hills, and her mother is the former Miss Helen Sharpe.

Mrs. Bishop will entertain another niece, and her husband, this week-end. Mr. and Mrs. Hall Hemphill are arriving from Van Nuys. Before her marriage, Mrs. Hemphill was Miss Bette Robinson of Centerville.

Country Club Presidents Meet at Ellsworth Home

The Ellsworth home in Niles was the scene last Monday of a garden picnic-luncheon which was attended by sixteen past presidents of the Past Presidents section of the Country Club of Washington Township.

Plans were made during the afternoon to make cash contributions to the starving children of Europe, and also to contribute new materials to the current yardage drive.

Attending the Past Presidents for the first time was Mrs. Robert Moore, who became a new member when she completed her term as president of the Country Club last month.

Corey Sisters End Visit Here

After three weeks spent visiting their mother, Mrs. Al Corey, Mrs. Edward Miller (Myrtle Corey) and Mrs. Charles Woolridge (Betty Corey) have turned to their home in Washington. Mrs. Miller, however, will return for only a short while as she and her husband, who has a position at Westvaco, will move their furnishings down to Irvington where they have taken an apartment and plan to make their home.

Miss Gloria Salvadorini of Niles, who will become the bride of Mr. Stewart Wilkinson this Sunday at a 4-o'clock ceremony at Corpus Christi Church.

Party Celebrates End of Course

Tuesday evening Mesdames Ruth Murphy and Lila Percifield and the Misses Marie Curran, Cecelia Enos and Gertrude Keller, all teachers in the Niles Elementary school, attended a dinner party at the Cottage in Elmhurst. The party was occasioned by the completion of a fifteen weeks' course given by the San Francisco State College. This class was organized for the purpose of building a new Social Studies Course for the Alameda county schools.

Transfer of Position

Miss Dorothy Domenici of Niles is the new member of the P.G&E. offiice staff.

Miss Domenici, who started in her new position last week, was formerly associated with the Rose City Pottery.

Kleines Entertain

Mr. and Mrs. Jack Kleine of Centerville entertained about 35 guests at a supper party last Friday night.

The party was for the ball players, their wives and girl friends, of the softball team sponsored by Kleine.

Past Presidents are Luncheon Guests

Eighteen members of the executive board of the Past Presidents Assembly of Alameda County were luncheon guests Tuesday of Mrs. Ronald Bendel at her Niles home. Mrs. Bendel is president of the group. Plans were made during the afternoon for the installation meeting which will take place on June 4.

Guests at Kilkare Home

Guests last Sunday of Mr. and Mrs. Robert Corwin (Jane Stanhope) at their newly-purchased home in Kilkare Woods were Mr. and Mrs. Frank Lombardi (Winifred Bendel) and Mr. and Mrs. Bernard Brownstein. The Corwins moved to Kilkare following the sale of their Palo Alto home.

Peter Fracolli to Be Home Soon

News about the Fracolli boys—S/Sgt. Peter Fracolli arrived in New York this week after 19 months in Italy. He is anxious to get back to Niles to his wife and son, 11-months-old Gary, whom he has never seen.

His brother, Paul, recently received his corporal's rating at Camp Beale.

Y.L.I. District Meeting

A special district meeting of the St. Jude Institute of the Y.L.I. was held at the I.O.O.F. hall in Irvington Tuesday night. Mary Foss, district deputy of San Leandro, was the guest speaker.

Mrs. Lucille Day presided as chairman of the special program, and Miss Beverly Soito was chairman in charge of the evening's refreshments.

Betty Burr to Have July Wedding

Announcing the engagement of their daughter, Betty, at their home in Niles recently were Mr. and Mrs. George Burr. The newly-engaged girl will be married to Thomas E. Jackson, son of Mrs. Alma C. Jackson of Bessmer City, N. C., in a double-ring ceremony at Corpus Christi Church in Niles on July 14. July 14 also marks the 22nd anniversary of Mr. and Mrs. Burr.

The bride-elect attended the Niles grammar school and also graduated from Washington High School in '43. She is a member of the De Guadalupe Institute of the Y.L.I.

Mr. Jackson recently received his discharge from the Navy.

Plan Children's Party

A refreshment party has been arranged by the Catholic Guild for the Sunday School children of Corpus Christi Church for June 6. Mrs. J. A. Silva, new president of the guild, is chairman in charge of the arrangements for next Thursday afternoon's children's party.

Visits Yosemite Park

Yosemite National Park beckoned to several Irvington people for a one-day vacation trip recently. The parents and their children, who visited the park were Mr. and Mrs. Wayne Day, Mr. and Mrs. Harold Garcia, and Mrs. John L. Berney.

ITALIANS RECEIVE ONLY 930 CALORIES PER DAY

The minimum food requirement per person per day for health is 1500 calories. Italy's available food supply allows only 930 calories for each man, woman and child per day. Oakland Red Cross nutrition classes teach how to save food so that more may be shipped to the famine areas.

CLASS OFFICERS NAMED AT WASHINGTON HIGH

Officers for the senior and junior casses of the coming school year were elected at the high school Wednesday. Tony Cardenas will be class president, and Leslie Halliday was voted vice-president of the seniors.

Other senior class officers are: Cora Perez, secretary; Catherine Viveiras, treasurer; Leonard Smith, student court representative; Mildred Enos and Elaine Silva, girls' league representatives; Dave Priego, yell leader.

Officers for next year's sophomores are: Albert Durazo, president; Esther Costa, secretary; Anne Naves, treasurer; Diane Avakian, girls' league representative; George Silveria, student council representative.

Elections will be held next week for officers of the juniors and members of the girls' league.

Read Register Want Ads.

ARMY MAJOR WILL ADDRESS MEMBERS OF COUNTRY CLUB

To use a play on words, what might be called a "major" treat is in store for members of the Country Club of Washington Township at the regular meeting next Tuesday, when Major Bruce M Parks, on terminal leave from the Army Air Corps, will be the guest speaker and tell about his experiences in Army communications and internal affairs.

Major Parks, formerly a San Fracisco attorney and married to the cousin of Mrs. Allan Hirsch of this community, was stationed in Iran and Iraq for over two years and has a wealth of material from which he can draw to entertain his listeners.

The Major was secured as a speaker by Mrs. Hirsch, program chairman. Mrs. F. V. Jones is co-chairman with Mrs. Hirsch for the afternoon's entertainment.

JOHN J. COX
An Undertaker for an Undertaker's Job!
for CORONER

The office of Coroner is *not* a doctor's job. Alameda County has two Autopsy Surgeons, or medical examiners, under civil service, who determine causes of death and report their findings to the Coroner. *The Coroner is forbidden by law to perform autopsies.* Mr. Cox, with 25 years' experience as an undertaker, more than fills the requirements for Coroner. Vote for him on June 4th.

COX FOR CORONER CAMPAIGN COMMITTEE
Room 1406, 409 - 13th Street, Oakland 12

A Full-Time, Efficient Coroner to Earn His Full-Time Salary!

CZECHOSLAVAKIANS FOOD ABOUT HALF

Americans use over 3,00 calories in food per person a day. Food supplies available in Czechoslavakia allow only 1714 calories per per son each day. The Red Cross cooking classes teach now how to have food so that more may be sent overseas.

PRIMARY ELECTION JUNE 4th, 1946

CANYON HEIGHTS NEWS

By MARY PURDY

Mr. and Mrs. Woodrow Nickel, former residents of Niles, are at present occupying the Ernest Frick residence on Stenhammer Drive. Nickel was recently discharged from the Army and is employed at the Frick Plumbing Company. Mrs. Nickel has joined her husband after spending the last several months at her parents' home in Springfield, Mo.

Mr. and Mrs. Sidney Westray spent last week-end vacationing at Santa Cruz. While there they visited Westray's aunt, Mrs. H. B. Standert of Watsonville.

Dinner guests at the home of Mr. and Mrs. C. R. Purdy last Saturday were Lt. and Mrs. Eugene Sevensma and son, Norman. The occasion was in honor of Norman's third birthday. The Lt. Sevensmas were temporary residents of Canyon Heights last fall. Dr. Sevensma is in the medical department at the U. S. Naval Hospital, Shoemaker.

Mrs. Raymond Colwell and daughter, Linda, of Deer Road, left Wednesday on a trip to Long Beach. They plan to return on Tuesday after visiting her parents, Mr. and Mrs. Francis, and Colwell's parents, Mr. and Mrs. Hugh Colwell, all of Long Beach.

Mr. and Mrs. Delos Welch of Deer Road entertained at a dinner party Monday evening. The guests were Chaplain and Mrs. Dwight Townsend and son, Dale, and Mrs. Townsend's sister, Miss Marian Garland, of Pittsburgh, Penn. Chaplain Townsend is stationed at Camp Shoemaker.

Mr. and Mrs. Ray Osborn of Canyon Heights Drive left yesterday for Redding. They will return Monday after enjoying some fishing in the Sacramento River and at Shasta Dam. Osborne's mother, Mrs. Sadie Osborn, who has spent the last two months at the home of her son, will accompany them to Redding, which is her home. Her sister, Mrs. N. Bolles, also of Redding, has visited here for several days and will return with them.

The regular meeting of the Women's Club of Canyon Heights was held Wednesday evening at the home of Mrs. C. R. Purdy on Deer Road. The evening was spent informally, followed with refreshments served by the hostess.

In Czechoslavakia there is a current shortage of 100,000 farm workers, while food supplies allow only 1714 calories per person per day. Oakland Red Cross is teaching how to save food so that more may be sent overseas.

LIVERMORE RODEO RATED BIGGEST

The Livermore Rodeo is now regarded as the biggest show of its type on the Pacific Coast by the Rodeo Cowboys Association.

This was the information given to President Al Bonne of the show in a phone call from Gene Rambo, vice-president of the cowboys' organization.

It came in a discussion concerning participation by the cowboys in several events at the show.

PROPERTY TAX IN COUNTY TAKES HIKE

Alameda County's $1.20 property tax rate for 1945-46 was up 10 cents from the $1.10 per $100 of assessed value rate for 1944-45, California Taxpayers' Association said this week, making public its study of budget factors which caused tax rate changes in California counties for 1945-46.

Budgeted expenditures and reserves of the county called for a net increase in tax rate of 47.2 cents. Offsetting items, including changes in assessed valuation, and in surplus, subventions and grants, and miscellaneous revenue items, brought the net increase in rate to 10 cents.

Among the expenditure items which pushed the tax rate up were salaries and wages, 10.9 cents; capital outlay, 16.7 cents; and reserves, 23.4 cents.

"Forty-one of California's counties show increases in county tax rate for 1945-46 over 1944-45," the Taxpayers' Association said.

"County expenditure plans for 1946-47 should be carefully considered, both by county supervisors and by the people of the county, so that the county budget and the county tax rate for next year will be kept as low as possible.

"Local government spending in the long run follows the wishes of the people. Every person pays his part of the tax bill. Everyone should make it his personal responsibility to let his local governing board know his opinion on local spending and taxes for this coming year."

CHRISTIAN SCIENCE SERVICE

The subject of the Christian Science lesson-sermon for June 2 is "Ancient and Modern Necromacy, alias Mesmerism and Hypnotism, Denounced." The Golden Text is from the 73rd Psalm: "My flesh and my heart faileth: but God is the strength of my heart, and my portion for ever. For lo, they that are far from thee shall perish." (26,27)

Included in the sermon is the following citation: Psalms 37:39: "But the salvation of the righteous is of the Lord: he is their strength in the time of trouble."

The word "millinery" comes from Milan, Italy, once headquarters for ladies straw hats.

Adults should drink from eight to ten glasses of water daily.

IRVINGTON P.T.A. SPONSORS DENTAL SURVEY AT SCHOOL

A dental survey program that will be a continual check on the dental needs of Irvington school children was begun this week, according to Principal Gus Robertson. The first examinations of the children's teeth were made at the school Monday and Tuesday by Dr. E. M. Grimmer Jr., under the sponsorship of the P.T.A.

Robertson said that parents will be advised of the condition of the children's teeth by means of standard charts provided through the school health office of the county health department. He added that parents may then choose their own doctor to do the necessary dental work. The principal explained that, by making periodic examinations, it is hoped that the school eventually will show a 100 per cent dental correction record.

Mrs. Anna Lou Gerrard, newly-elected president, and Mrs. Leslie Hiller, both representing the P.T.A., have coordinated the survey program with Mrs. Edna Ebright of the Centerville health office.

Carol Drake tells how to prepare outdoor meals

For fun, there's nothing better than eating out-of-doors. That's why we suggest that you get an early start and enjoy the picnic and barbecue season to the fullest. This coming holiday or weekend offers a grand opportunity to usher in the season.

PLAN A BARBECUE—If you're an outdoor cooking enthusiast, then it's high time to get the embers glowing in the barbecue pit. But don't be daunted if you haven't a pit over which to cook. Follow the old-fashioned way by digging a hole in the ground about a foot deep and as big around as you need. Then support a grill or wire rack on two stones or bricks over the hole. Start your fire early so that your "pit" will be half full of glowing embers by barbecue time.

BARBECUE BREAKFAST
Basket of Oranges and Apples
Barbecued Link Sausage or Skillet Sausage Cakes
Fried or Scrambled Eggs
Flapjacks Heated Syrup or Molasses
Plenty of Coffee

DINNER OR SUPPER BARBECUE
Barbecued Kabobs* or Chicken Halves
Reheated Spicy Baked Beans
Chilled Canned Tomatoes Cole Slaw
Split Toasted Buns
Fresh Fruit Cheese Chunks

*For kabobs, string small squares of meat, bacon and onion slices alternately on long fork, broil.

FOR THE PICNIC—If picnics are impromptu affairs in your home, then be ready with the "makings" already on hand.

SANDWICH PICNIC
Assorted Sandwiches of Cold Meat and Cream Cheese, Chopped Egg and Onion, and Peanut Butter and Jelly
Potato Chips or Potato Salad
Pickles, Olives, Raw Carrots, Lettuce Wedges
Filled Cookies, Cup Cakes, Fruit, Salted Nuts

HOT DISH PICNIC
Casserole of Spaghetti and Meat Balls*
French or Rye Bread
Pickled Beets Whole Tomatoes
Deviled Eggs
Applesauce or Pineapple Upside Down Cake

*A casserole of food will keep hot for several hours when wrapped while hot in ten or twelve thicknesses of newspaper.

Carol Drake Director
The Homemakers' Bureau
An Extra Safeway Service

SAFEWAY *for Outdoor Eating Needs*

The month of May brings outdoor attractions that few can resist. Mild weather and green countryside combine to make it a perfect season for picnics. So why not plan your picnic today. Start with a visit to Safeway. Select your favorites from our large assortment of foods for out-of-doors eating.

MISSION SAN JOSE

(Continued from Page 2)

trying for some time to acquire. He is employed at Jack Huchins Plymouth Automotive Parts in San Jose and is a parts salesman.

Round-up time has arrived again and last Sunday at the Joe Ferry Ranch in Livermore Hills some 50 guests arrived to help him and to enjoy the delicious barbecue served at noon. The folks among the guests from the Mission were: Miss Abbie Sunderer, Frank Dias, Josephine Fernandez, Grace Meyers, Mr. and Mrs. Thomas Cunha and "Cappy" and Shirley.

Last Sunday afternoon on the grounds of Mr. and Mrs. Edwin McNemar of Mission San Jose, a barbecue was held to celebrate the 55th birthday of Mrs. Rose L. Telles of Mission San Jose. Barbecued chickens were served and all that goes with it. Baseball was played throughout the rest of the afternoon.

Those present at the picnic were Mr. and Mrs. Leland Telles and sons, David and Jerry; Mr. and Mrs. Alfred Andrade and sons, Eddie and Glenn; Mr. and Mrs. Mervin Telles, Miss Rosemary Telles, Miss Arlene McNemar and sister, Iris; Mr. Edwin McNemar Jr., Mrs. Alice Stefonia, Anna Stefonia, Bobby Stefonia of Livermore; Mrs. Louise Kahn, John Machado, Miss Helen Machado, all of Modestto.

The city of Hanford, Kings county seat, was incorporated August 12, 1891.

NAVY BASE AT SHOEMAKER TO CLOSE ON JUNE 1

Shoemaker Naval Hospital will be closed June 1, all patients to be transferred to Oak Knoll Naval Hospital before that day, the U.S. Navy announced early this week.

There are about 500 patients at the hospital, which has been in operation for more than three years. It will be decommissioned on June 30.

Shoemaker Personnel and Distribution Center is scheduled to close September 1 and will continue on a caretaker basis until plans are made for the disposition of the land and buildings. It is now operating as a separation center and after it closes the navy will assume its peacetime plan for discharging men directly from their units. The embarkation center will move to Treasure Island.

Possibility of developing the entire Shoemaker naval base, including the hospital, personnel center, and Camp Parks into an industrial site was discussed at a meeting of executives of chambers of commerce of Alameda and Contra Costa counties held last Friday in Oakland.

Similar use of shipyards is also in prospect. "The magnitude of these two projects is astounding," said Elmer Hammond, industrial manager of the Oakland Chamber of Commerce. "If they can be properly developed this will become the greatest industrial area west of Chicago."

NINE MORE VETERANS GIVEN DISCHARGES

The following is a list of township servicemen who were recently given honorable discharges from the armed forces:

Frank Acuna and Anthony Joseph Silva of Niles, Alvin King, Henry Marshall Jr. and Ralph Sarmento of Newark; Lester Gomes and Frank Scamman of Irvington; and Clifford Slawson and Jerome Wilveding of Centerville.

NEW VITAMIN C

The West Indian cherry has recently been discovered to be a prolific source of anti-scurvy vitamin C.

DECOTO SCHOOL

by Margaret Williams

The Decoto boys' team defeated the Bret Harte boys' team on May 27, by the score of 11 to 0. The lineup for Decoto was as follows: Raymond Berrios, catcher; Robert Torre, pitcher; Andrew Gonzales, first base; Daniel Elizarry, second base; Henry Serbantes, third base; Eustudillo Elizarry, shortstop; Ralph Rojas, left field; Eduardo Romero, center field; Domingo Alcon, right field; and Efrand Alvarado, second shortstop.

Parents are urged to bring their children who will be entering school for the first time next term, for a physical examination. It will be given in the auditorium of the school on Friday, May 31. The children should be at least five and one-half years of age.

DECOTO RECREATIONAL COUNCIL TO NAME OFFICERS

Dave Janeiro terminated his resignation as secretary at last Friday's meeting of the Decoto Recreational Council. The group, which met at the home of Mrs. Leontine Costa, postponed election of new officers until the next meeting of June 7.

The council is sponsoring a Decoto boys' baseball team which has been entered in the Hayward league. Elizarry is managing the ball club which is limited to boys under 20.

For the last 50 years the center of population in the United States has been placed at some point in Indiana.

48½ HOURS San Francisco-Chicago on the daily OVERLAND LIMITED

STARTING JUNE 2

Eastbound Overland Limited *descending from 7000-foot Donner Summit in the High Sierra. Donner Lake below. (Drawn by Amado Gonzalez.)*

Over the High Sierra by daylight!
NO EXTRA FARE!

Starting June 2, from San Francisco and Chicago, the *Overland Limited* will speed daily between those cities in 48½ hours eastbound, 49⅗ hours westbound—fastest no extra fare schedule in history for this run. Half a day faster than pre-war, the new schedule gives you a daylight trip over the spectacular High Sierra both ways.

STREAMLINED PULLMANS AND CHAIR CARS TO CHICAGO

The new, faster *Overland Limited* will carry streamlined Pullmans and chair cars to Chicago. As additional light weight cars can be obtained from the builders, the *Overland Limited* will be completely streamlined with the most modern equipment. In the meantime, lounge cars, dining cars and coffee shop cars on this train are being refurbished and redecorated for the faster service starting June 2.

Here is the sensational new schedule of Southern Pacific's *Overland Limited*—the first time in history, remember, that such fast service has been provided *without extra fare!*

EASTBOUND

		Starting
Lv San Francisco (Ferry)	11:30 a.m.	June 2
Lv Oakland (16th St.)	12:09 p.m.	June 2
Lv Sacramento	2:20 p.m.	June 2
Lv Reno	7:30 p.m.	June 2
Ar Ogden (PST)	6:15 a.m.	June 3
Ar Chicago	2:00 p.m.	June 4

WESTBOUND

		Starting
Lv Chicago	3:00 p.m.	June 2
Lv Ogden (PST)	7:40 p.m.	June 3
Ar Reno	6:28 a.m.	June 4
Ar Sacramento	11:30 a.m.	June 4
Ar Oakland (16th St.)	1:42 p.m.	June 4
Ar San Francisco (Ferry)	2:20 p.m.	June 4

48 hours to St. Louis. Starting June 2, the *Overland Limited* will carry a through streamlined Pullman to St. Louis, arriving there at 1:40 p.m., more than 18 hours faster than at present.

Through Pullmans to New York will continue to be carried on the *Overland Limited*, but after June 2 the through schedule will be much faster.

FASTER PACIFIC LIMITED
Starting June 2, *Pacific Limited* will operate on much the same schedule as the present *Overland Limited*, between San Francisco and Chicago. Standard Pullmans to Salt Lake City, Denver, Omaha and Chicago. Club car.

Through Pullman to Washington, D. C., will be carried on the *Pacific Limited* starting June 2.

FASTER CITY OF SAN FRANCISCO
Starting June 2, this crack extra fare streamliner will be back on its pre-war 39¾-hour schedule between San Francisco and Chicago. The *City of San Francisco* leaves San Francisco every three days, arrives in Chicago at 10:15 the second morning.

FASTER SAN FRANCISCO CHALLENGER
Popular economy train for chair car and tourist passengers exclusively, will also be speeded up.

FASTER GOLDEN STATE LIMITED
48 hours, Los Angeles to Chicago!
No extra fare for this daily 48-hour schedule between Los Angeles and Chicago on the *Golden State Limited*, starting June 2. The *Golden State Limited* will carry all streamlined Pullmans and chair cars to Chicago, through Pullman to New York.

A 39¾ hour, extra fare Streamliner to run between Los Angeles and Chicago three times a week is also planned. We hope to have this train for you early in 1947.

FASTER SUNSET LIMITED
49¾ hours, Los Angeles to New Orleans!
No extra fare for this new daily schedule—fastest train time in history between Los Angeles and New Orleans—starting June 2. The *Sunset Limited* will carry Pullman cars, chair cars, lounge car, dining car and coffee shop car. The *Argonaut*, on this route will be faster, too.

New Sacramento-Los Angeles Daylight. Starting June 2, a through streamlined *Daylight* will go into daily service between Sacramento-Stockton and Los Angeles.

What it all adds up to is this—Southern Pacific and its connecting lines are stepping out in a sincere effort to give the finest train service ever offered to the East.

S·P The friendly Southern Pacific

MRS. J. A. SILVA NEW PRESIDENT OF CATHOLIC GUILD

A slate of new officers for the coming year was nominated and elected at last Thursday's regular meeting of the Catholic Guild at the parish house of Corpus Christi Church. Mrs. J. A. Silva was elected to succeed Miss Helen Avilla as president of the guild.

Assisting Mrs. J. A. Silva on the new board of officers will be: Mrs. George Rogers, first vice-president; Mrs. Frank Duarte, second vice-president; Mrs. William Bliss, third vice-president; Mrs. L. A. Mayer, corresponding secretary; Mrs. Rose Vieux, recording secretary; Mrs. Henry Enos, treasurer.

The newly-elected officers will be installed in the guild room of the parish the evening of June 19. Mrs. Alma Meyers of the Oakland County Council has been invited to serve as installation officer.

Mrs. L. A. Mayer is in charge of a dinner at the International Kitchen, which will precede the installation ceremonies; and Mrs. Mary Regan is arranging for the decorations.

FUNERAL SERVICES HELD

Mrs. Helen Cottingham, 29, of Newark, died in San Francisco last Friday. She is survived by her husband, Wayne Paul

Surviving children are Susan Helene and Carol Wayne. She was the daughter of Mrs. Anna Seibler, and sister of Mrs. Elfredia Seibler and Mrs. Annie Unteidt of Newark.

Reverend James Brown officiated at the services held from the Chapel of the Palms in Centerville Monday afternoon.

HIGH SCHOOL TEAM IN FIRST PLACE AT FINAL TRACK MEET

Washington Union High School can look forward to several seasons of good track if scoring at last Friday's final track meet of the S.C.V.A.L. can be taken as a promise of things to come. Coach Jud Taylor's freshmen team placed first with 54 points against 37¾ for their nearest rival.

The championship freshmen took six first places with a 5-man team. Duarte won the 100-yard dash, 50-yard dash and the shot-put. Mijamura was first in the low hurdles; Sekigahama placed first in the high jump. These three, together with Duran and Yamanaka, made up the relay team which also came in first.

It pays to be emphatic and insist on having a full-size water heater for your home. That means saying—"no, no" to the old 20 gallon size storage heater and buying a 30, 40 or 50 gallon water heater to serve your family needs.
The new automatic washing machine or dishwasher you are planning to buy, will call for extra hot water. Buy a water heater with extra storage capacity to give your home uninterrupted hot water service at all times.
"SIZE-UP" YOUR WATER HEATER FOR MODERN HOME USE
WATER HEATER CAP. 20 GALL.
WATER HEATER CAP. 30 GALL.
WATER HEATER CAP. 40 GALL.
WATER HEATER CAP. 50 GALL.
WATER HEATER CAP. 75 GALL.

Number Bathrooms	Number Bedrooms	Storage Capacity Gallons
1	1 or 2	30
1	3 or 4	40
2	2 or 3	40
2	4 or 5	50
3	3	50
3 or 4	4 or 5	75

Be sure the new automatic water heater you get is "sized-up" to your family needs.

New SHELL PREMIUM
a new-type gasoline developed by Shell Research
New Shell Premium is a radically new kind of motor fuel! Uses only the higher-efficiency "Power-Heart" of the gasoline. *For the first time* gasoline is freed of the power-reducing elements present in even the finest prewar gasolines!
New "Power-Heart" refining lets your engine get *maximum* efficiency from war-developed fuel boosters. With this new *all-purpose* gasoline you can start your engine in a flash . . . get swift, even pickup . . . drive all day without the whisper of a knock, and get smooth, even power under *all temperature conditions.*
Although Shell Premium costs more to make, it costs *you* no more than other premium gasolines!
SHELL
Shell X-100 Motor Oil gives premium protection for today's sustained speed driving—like New Shell Premium, it stems from continuous Shell Research
